"THIS SCROLL IS THE COMPLETE HANDY WORK OF GOD AND BLESSED IS HE THAT CAN BELIEVE IT"
The Seven Visions on the right side are the perfect work of God! The Lord has definitely moved upon me by divine providence to put these three mens name upon the scroll due to a prophetic significance.

WILLIAM BRANHAM (Star Prophet)— Every great man of God said, "his Ministry brought forth a spiritual deluge of power!" It brought the greatest change in the spiritual world since the days of Christ. A brilliant light appeared over him at birth. He died in the complete will of God. (It is said an eternal flame is placed by John F. Kennedys grave) but the great "Eternal Light" will stand by William Branham's grave. He will come forth and be seen again with the Bride at Christ (rapture) appearance! (Read saith the Lord! Isa. 26:19-21) Ezek 37:1-5

JOHN F. KENNEDY— Came in the exact time that our nation would change. He did what he thought was right according to his doctrine, whether by intention, mistake or pressure from Rome. An era of violence was ushered in, he was caught up in fate and reaped the whirlwind!

ABRAHAM LINCOLN— taught a nation how to fast and pray, and settle its problems with love. God raised up a praying president! Our nation was saved from disaster. He came at the certain time appointed. He said when America strays from this course she shall cease to be united "Under God". These 3 men changed the U.S.A. History more than any (thus far)

LINCOLN AND KENNEDY— Why did history repeat? Gods hand is intervening in mans affairs, as a warning time is up. Read (carefully)—Both of these Presidents were concerned with issues of Civil Rights. (1) Lincoln was elected in 1860—Kennedy in 1960. (2) Both assassinated on a Friday in the presence of their wives. (3) Lincoln died in the Ford auditorium—Kennedy died in a Ford Lincoln car. (4) Their successors were both named Johnson and both were southerners (Andrew Johnson never finished his term and the same may exist for L.B.J.) (5) Lincoln was elected to Congress in 1847—Kennedy a Century later in 1947. (6) Both were shot in the head, and John Wilkes Booth was born in 1839 — Lee Harvey Oswald in the same year one hundred years later in 1939. Later it was discovered several more men were connected in the Lincoln assassination. (And the Lord showed me several others were connected in the assassination of J.F.K. Booth and Oswald were southerners. Both were accused of unpopular beliefs. (7) Both presidents wives lost children through death while residing in the White House. (8) Lincoln's secretary whose name was (Kennedy) advised him not to go to the auditorium the night he was killed. President Kennedy's secretary whose name was (Lincoln) advised him not to go to Dallas, also.

A WITNESS— God gave me many prophecies of which several on the scrolls are so close to Brother Branham's Visions you are about to read that we thought it of utmost importance to print them here! The Bible says He takes away the first that the second can be established. It says the matter shall be established in the mouth of two witnesses. Now the urgent part of Scroll—**WILLIAM BRANHAM AND THE SEVEN VISIONS.** He was given seven visions of the end time. All 5 completely fulfilled. Sixth one nearly fulfilled and the seventh was he saw the earth in volcanic ashes (no doubt atomic destruction) and at the same time (he looked and saw the calendar flipping its pages and "stopping at 1977!!!") We know the Elect leaves before atomic desolation by several years. Oh, I hope you can see where we are at now. Be careful, as a snare shall it come upon the whole world! (The Seven Visions as Given by Wm. Branham)—As a servant of God who had multitudes of visions, of which NONE has ever failed, let me predict (I did not say prophesy, but PREDICT) that this age will end around 1977. If you will pardon a personal note here, I base this prediction on seven major continuous visions that came to me one Sunday morning in June, 1933. The Lord Jesus spoke to me and said that the coming of the Lord was drawing nigh, but that before He came, seven major events would transpire. I wrote them all down that morning I gave forth the revelation of the Lord. The first vision was that Mussolini would invade Ethiopia and that nation would "fall at his steps." That vision surely did cause some re-

percussions, and some were very angry when I said it and would not believe it. But it happened that way. But the vision also said that Mussolini would come to a horrible end, with his own people turning on him. That came to pass just exactly as it was said. The next vision foretold that an Austrian by the name of Adolph Hitler would rise up as dictator over Germany, and that he would draw the world into war. Then it showed that Hitler would come to a mysterious end.

THE THIRD VISION was in the realm of world politics for it showed me that there would be three great ISMS, Fascism, Nazism, Communism, but that the first two would be swallowed up into the third. The voice admonished to "WATCH RUSSIA, WATCH RUSSIA. Keep your eye on the king of the North." **THE FOURTH VISION** showed the great advances in science that would come after the second world war. It was headed up in the vision of a plastic bubble-topped car that was running down beautiful highways under remote control so that people appeared seated in this car without a steering wheel and they were playing some sort of a game to amuse themselves.

THE FIFTH VISION had to do with the moral problem of our age, centering mostly around women. She adopted men's clothing and went into a state of undress, until the last picture I saw was a woman naked except for a little fig leaf type of apron. With this vision I saw the terrible perversion and moral plight of the whole world. Then in the **SIXTH VISION** there arose up in America, a most beautiful, but cruel woman. She held the people in her complete power. I believed that this was the rise of the Roman Catholic church, though I knew it could possibly be a vision of some woman rising in great power in America due to a popular vote by women. The last and **SEVENTH VISION** was wherein I heard a most terrible explosion. As I turned to look, I saw nothing but debris, craters and smoke all over the land of America.

Based on these seven visions, along with the rapid changes which have swept the world in the last fifty years, I **PREDICT** (I do not prophesy) that these visions will have all come to pass by 1977. And though many may feel that this is an irresponsible statement, in view of the fact that Jesus said that 'no man knoweth the day nor the hour,' I still maintain this prediction after thirty years because, Jesus DID NOT say no man could know the year, month, week or day in which His coming was to be completed. So I repeat, I sincerely believe and maintain as a private student of the Word, along with divine inspiration that 1977 ought to terminate the world systems and usher in the millenium.

Now let me say this. Can anyone prove any of those visions wrong? Were they not all fulfilled? Yes, sir. Each one has been fulfilled, or is in the process right now. Mussolini invaded Ethiopia successfully, then fell and lost it all. Hitler started a war he could not finish, and died mysteriously. Communism took over both the other two ISMS. The plastic bubble car has been built and is awaiting only a better network of roads. Women are all but naked, and are even now wearing topless bathing suits. And just the other day I saw in a magazine the very dress that I saw in my vision (if you can call it a dress). It was a plastic transparent type of cloth with three darkened spots that covered both breasts in a small area, and then there was a dark place like a small apron below. The Catholic church is on the rise. We have had one Catholic president and will no doubt have another. What is left? Nothing except Heb. 12:26.

Now the age we are living in is going to be a very short one. Events are going to transpire very rapidly, so the messenger of this Laodicean Age has to be here now. Though perhaps we won't know him as yet, but there will surely have to be a time when he becomes known. As we look into the Word and see what kind of a man this messenger is we will find out that the Scripture fits the man, then when you see a man that is "cut out" of "Scripture cloth", then you will know that he is the messenger. First of all he will be a prophet. He will have the prophetic Ministry. It will be based solidly on the Word. He is a prophet, that is what Paul was in the first age, and the last age has one too. Amos 3:6-7. It was the end time period that the Seven Thunders of Jesus came forth. Rev. 10:3-4-7.
