16	<p><b>ISRAEL Troubles 1969-70</b> [2017-2018] this could bring the Jewish Temple into view later. I definitely feel Israel will have (Arab) trouble about this time. As International powers will try to settle her problems within the next 3-5 years. Just about this time if the Bride is not raptured, is when she will receive the pressure. 1971-72 [2019-2020] However, watch close after 1969.</p> <p>STRANGE Cycle and Weather Patterns — forming for Florida and the U.S.A. 17	<p><b>Political Scene 1969-73</b> Forecast [2017-2021]- A great <b>change - gigantic</b> in scope will begin to cover the earth. A tremendous sweeping one is coming as the world prepares itself for the introduction of anti-christ system! Society in this nation will have to pass laws to guarantee freedom, but later could be used against the American people. <b>It could be the next Administration that will pass strict laws to control riots, lawlessness, or Communist take over so as to insure the people of life and property protection. As long as we had a God fearing President to enforce this it would be fine. But later an evil president would use this against the minority and true Christians, as church and state move together.</b> I foresee the Elect only has a short time to work before God allows false religion and Communism to rule. <b>"The pressure within this nation will cause it to split and later force the people to blend together for strength, afterwards joining the One World Government."</b> Will Jesus give us one more good President or will the Lord allow the evil one prophesied to come! It would seem almost more than a miracle, but let us pray that God would give us one more praying President! (Our form of government will change completely by 1975 [2023])</p>	
21	<p><b>Cunning Year of 69:</b> This year begins with charm as eyes will be turned on love and beauty. Ushers in with seductive serpent-like wisdom. A false happy-like spirit will prevail. This year starts a new beginning for satan. A year of licentious conduct, debauchery, and extreme lewdness. Uncontrolled and loose morals, <b>queer</b> sodomite spirits begin to demonstrate a degenerate atmosphere!</p>	
22	World Bank - startling developments in the world bank <b>69-72</b> Trouble for the American dollar!	
23	Terrifying earthquakes nearing the 70's or the early part of them.	
25	<p>Eye of the Lord: There will be a <b>warning quake on the West Coast in 69!</b> We will see an early trend of economical change late <b>69-70</b> (also this could mean devaluation of the dollar or redesigned later!)</p> <p>Future Dramatic and Climatic Events: <b>69-70</b> will see great pressures in the Middle East! Due to famine and lack of finance, many nations change and do things they would not ordinarily do. World is now planning to come together to save itself from war, hunger, and self destruction, but will fall in the hands of the anti-christ. Next few years will bring epidemics, volcanic eruptions, islands will appear out of the sea.</p>
