

GOD WARNS IN AWESOME EVENTS THE CLOSE OF THE DAYS — "The reason the Lord wants this written, it is just steps away. It also reveals how the anti-christ takes over in several or all these ways and is a warning because through economics is one of the ways he takes over! The Lord commands us to bring out this evil system!" Jer. 20:8, **"For since I spake, I cried out, I cried violence and spoil, because the Word of the Lord was made a reproach unto me daily. Verse 9, But His Word was in my heart as a burning fire. And Jeremiah said I cannot forebear" — "so I must do likewise!"** — (Deut. 28:50-57) The Lord forewarned Israel what would happen to them because of breaking His Word. These events occurred once during the siege at Jerusalem during 70 A.D. when Titus' armies surrounded them! And these events are destined to occur again during the Tribulation! Verse 53, **And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which the Lord thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee!**" Verse 57, **"And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates!"** — Also before these major events famine will have spread throughout the earth!" (Rev. 6:5-8 - Rev. 11:6) Plus before this apocalypse of death the earth will have begun to witness a creeping drought. And even before the translation of the Church they could begin to witness many divers happenings before the main appearance of this! In Deut. 28:67, "God gives a warning to those who are left in tribulation!" **"In the morning thou shalt say, Would God it were evening, And at evening thou shalt say, Would God it were morning!"** — **"For the fear of thine heart and for the sight of thine eyes which thou shalt see!"** — "But before leading up to these events the Lord has promised the bride His absolute protection (and translation). Ps. 91:1-11, It reveals He will cover you with His wings, the pestilence and famine are turned back, thousands shall fall on either side of you but it shall not come near, the plagues shall not come nigh and His angels shall have charge over thee! Amen!"

THE WORLDWIDE ECONOMIC SNARE COMING, "finally leading into diabolical tyrant!" — James 5:3, reveals their treasure will be heaped together during the last days ushering in the controlling mark!" — (Quote) "A financial adviser explained that, we are in a period of inflationary depression, it is the longest period of inflation in the past 360 years. The inflation is worldwide!" — "At this writing what we have is a business recession equal in severity to some of the past, but we are also experiencing inflation at the same time! When inflation gets this bad generally deflation doesn't occur until much later, but rather generally more inflation appears, but finally a study of other runaway inflations such as the Germans and the Chinese experienced shows that they had both, inflation and depression both occurred simultaneously in the end result!" (Rev. 6:5-8) — "A continuation of the current policies of our government will slowly and eventually lead to the loss of our free economy!" "The nations are facing an ominous future. Events such as these will lead to Rev. 13:15-18 control!"

"THE MISUSE OF GOLD POWER" — "A British writer and economist warned a movement from world currencies into gold is inevitable if or unless recession and inflation are not corrected soon, leaving no alternatives!" He thinks the projected mammoth United States budgets may lead to national bankruptcy! "Due to this and the default of the currencies evidently is just what the anti-christ system is maneuvering and waiting for. Let us find a Scripture to substantiate this. Dan. 11:38, 43, "reveals, he shall have power (authority) over the treasures of gold and the silver. So you see if currencies default, he would have the power of wealth, establishing his own gold currency (mark)" — "Also with the controlling of food this would end all freedom except for homage to him!" "Also watch the Middle East; if there is any hint towards gold you know the anti-christ is very close!" "The Lord de-

scribes the end of this system, Isa. 14:4, **"Take up this proverb against the king of Babylon, and say, how hath the oppressor ceased! The golden city ceased!"** Read verses 16-17. — "Let us take one more quote from an editorial concerning past events which allowed a takeover! — August 1922 Germany's money supply stood at 252 billion marks. In January 1923 it was 2 trillion. In September 1923 it was 28 quadrillion. And in November 1923 it reached 497 quintillion — that is 497 followed by 18 zeros. This runaway inflation of the money supply stopped, finally, when the currency became virtually worthless, its stated value worth literally less than the cost of the paper it was printed on! The old mark was replaced in 1924 with a new "Reichsmark". The old marks were withdrawn from circulation and ceased to be legal tender! With these events Hitler rose to power! Concerning all these events something similar to this will happen to the U. S. A. If they continue in inflation it is either this, strong controls or both!" (Rev. 13:15-18) — "When the gospel message finishes to the bride elect then I believe it is about this time that the collapse leading into these things will take place! God will protect and prosper His children, we are joined to God's economy and His resources are not tied to man's economy! Joshua 1:9 commands us to be strong and of good courage!"

THE U. S. A. REACHING ITS 200th YEAR — 1776 - 1976 — "What will appear? The significance of the number 200 is suggested by John 6:7 and it reads, "200 penny worth of bread is not sufficient for them!" — "Right away we find this number stamping various things with insufficiency!" — "Achan's 200 shekels were not sufficient to save him from the consequences!" (Joshua 7:21) — This shows us the insufficiency of money!" (Ps. 49:6-8) — Absalom's 200 shekels weight of hair were not sufficient to save him, but caused his destruction, revealing the insufficiency of beauty!" (II Sam. 14:26 - II Sam. 18:9) Micah's graven image was purchased for 200 shekels, this introduced idolatry into Israel!" Judges 17:4 — Chap. 18, "revealing the insufficiency of mere man's religion!" — "Ezra's 200 singing men and women were not sufficient to produce peace with God. (Ezra 2:65) Only God's Word can do this! — Nehemiah 8:5-9, "So the world and the United States will fall short in many of these things. — July, the 7th month - 4th day, these numerals are symbolic and will eventually lead to God's perfection in judgment upon the nation! — And 200 is very significant!"

MANY PEOPLE HAVE ASKED ME TO EXPLAIN THIS SCRIPTURE — Isa. 4:1, **"And in that day seven women shall take hold of one man, saying, We will eat our own bread, and wear our own apparel: only let us be called by thy name, to take away our reproach."** Verse 2, reveals this is definitely during the millennium, due to the great battle of Armageddon there is a severe shortage of men. "More proof after the Tribulation, Isa. 13:12, God will make a man more precious than fine gold, a man even more than the golden wedge of Ophir!" Read verses 10-11, also Rev. 6:8, "under the 4th Seal a '4th part' of the earth dies!" In Rev. 9:18, "under the 6th Trumpet 'a third' part of the men are killed, and then many more during the plagues! Evidently the Lord allows the above mentioned so as to populate the earth again; during the thousand year reign they become as the sands of the sea again!" (Rev. 20:7-9) "But evidently the Lord brings changes and a rebellion sets in somehow, Zech. 14:16-18, But I believe they start in on idols again instead of going up to see the King Jesus!" — "The numerals 7 women and 1 man, one is unity but 1 added to 7 makes 8!" "In the Hebrew the number 8 is (Sh, moneh) means to super abound or as one who abounds in strength, etc. As a noun it is (super abundant, fertility, multiplying, etc.)" "8 is a super abundant number (sands of the sea)!" — "Whatever the reason the Lord allowed this (Isa. 4:1), He will give us the complete answer then. Leave it with Him!"

PROPHECY — Giant earthquakes and great disturbances will appear more often. Riots, rebellions — storms and crises, (nations) 1976-77. And more confusion 1977-78.
